Criticism [] The three click rule has been challenged by usability test results, which have shown that the number of clicks needed to access the desired information affects neither user satisfaction, nor success rate.. Accounting oriented spreadsheet templates available Version 1 build 29 may include unspecified updates, enhancements, or bug fixes.. 3-Clicks adds over 100 in-cell formulas to Excel and allow users to make auction specific calls and obtain information directly from the eBay server.. Critics of the rule suggest that the number of clicks is not as important as the success of the clicks or information sent..
